

DONATIONS TO THE FRIENDS OF THE YELLOW BARN

The Friends of the Yellow Barn is a non-profit organization that was incorporated in 1994. Its mission is to support the painting and drawing residency program at Glen Echo Park under the leadership of well-known teacher and artist, Walt Bartman.

The Yellow Barn Studio has earned the reputation for high quality instruction and affordable art classes for all levels of experience in a supportive atmosphere. The Yellow Barn is more than an art school, but an inclusive art community.

The Friends have worked to help raise money through donations and grants for renovations and programs such as the annual juried show and outstanding workshops. Recently, the Friends rushed in after a fire to help restore the facility with only a week's interruption to the busy schedule.

Your support is greatly appreciated. Your contributions have and will sustain the good work of the Yellow Barn for years to come. Your donation is tax-deductible. Please follow our prompts on our home page to use our Pay Pal system to become a Member, or you can send a check to:
